**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. Accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The state reserves the right to regulate the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed one cubic feet per second.

Actual construction work shall begin on or before Aug. 1, 1935

Proof of commencement of work shall be filed before Sept. 1, 1935

Work must be prosecuted with reasonable diligence and be completed on or before Aug. 1, 1937

Proof of completion of work shall be filed before September 1, 1937

Application of water to beneficial use shall be made on or before Aug. 1, 1938. Proof of the application of water to beneficial

use must be filed with State Engineer on or before September 1, 1938
